KERAMIDA Inc., an environmental consulting and engineering firm based in Indianapolis, is growing and continuing to satisfy client expectations. KERAMIDA recently added the following professionals:

- Dale Price, C.P.E., Ph.D., Senior Project Manager, 35 yrs. Exp.
- Tim Miller, L.P.G., C.P., Senior Project Manager, 32 yrs. Exp.
- Steve Sittler, M.S., L.P.G., Senior Hydrogeologist/Senior Project Manager, 25 yrs. Exp.
- Diana Hollin, Field Manager, 22 yrs. Exp.
- Kris Proctor, Senior Field Manager, 20 yrs. Exp.
- Nils Landin, M.S., Staff Geologist, 12 yrs. Exp.
- Chieh-ling (Jelling) Lai, M.S., M.P.A., Project Manager, 8 yrs. Exp.
- Evan Perkins, Staff Industrial Hygienist, 3 yrs. Exp.
- Kristopher Orton, M.S., Staff Geologist, 1 yr. Exp.
- Crystal Baker, Administrative Assistant, 10 yrs. Exp.
- Susie Smith, Administrative Assistant, 10 yrs. Exp.

KERAMIDA's expertise will continue to support clients' needs. In particular, two of our new additions to KERAMIDA's Cincinnati Office are Mr. Tim Miller and Dr. Dale Price, both highly experienced professionals.

Mr. Miller graduated with honors in Geology from the University of Louisville and is licensed as Professional Geologist in three states. He has over 30 years of experience in investigation and remediation projects and has focused on complex Brownfield projects. His impressive experience allowed the OEPA VAP program to certify him as a CP in record time, and is currently directing numerous VAP projects as the CP, including two projects which are in the process of having the NFA applications submitted by Mr. Miller as well as one project where, as the new CP, he is responding to OEPA's deficiencies to an earlier NFA submission prepared by other CPs.

Dr. Price is an engineer, with B.S., M.S. and Ph.D. degrees in Industrial Engineering and 35 years of experience in engineering, training, safety, and building decommissioning, including asbestos and lead management, design and specifications.
